PASTA BAKE WITH EGG

Ingredients

- | | |
|--|---|
| 8 ounces dried bucatini pasta | 1/2 teaspoon cracked black pepper |
| 8 slices bacon, halved crosswise, then sliced lengthwise | 1/4 teaspoon salt |
| 2 tablespoons olive oil | 3 ounces white cheddar cheese, shredded (3/4 cup) |
| 2 cloves garlic, sliced | 1/4 cup chopped Italian flat-leaf parsley |
| 7 eggs | Bottled hot pepper sauce |

Directions

1. Preheat oven to 400 degrees F. Grease six 10-ounce ramekins or custard cups; set aside.
2. Cook pasta according to package directions.
3. Drain; set aside. In a large skillet cook bacon until lightly browned, but still limp.
4. Transfer to paper towels; drain completely. In a small saucepan, heat the olive oil and garlic slices over medium-low heat until olive oil is just warmed through and garlic is fragrant, 1 to 2 minutes.
5. Remove garlic; discard.
6. In a large bowl whisk together the flavored olive oil and 1 egg. Stir in pepper and salt. Add pasta and bacon; toss until coated.
7. Place about 1 cup pasta mixture in each ramekin or custard cup and twirl mixture with a fork, creating an indent in the center of each.
8. Bake 5 minutes. Sprinkle with cheese. Crack remaining eggs into each indent. Bake 20 minutes more or until egg whites are firmly set and yolks are thickened. Remove from oven. Let stand 2 minutes. Remove from ramekins. Top with parsley. Serve with pepper sauce.

PULLED PORK & CHEESE PUFFS

Ingredients

Makes 8:

2 instant puff pastry sheets

For béchamel sauce:

2 tablespoons unsalted butter

2 tablespoons all-purpose flour

1 cup (240ml) warm milk

1 pinch of salt

Freshly cracked pepper, to taste

Ground nutmeg (optional)

For filling

1/2 lb (220g) Tulip Brand Pulled pork

2 cups fresh spinach, rinsed and chopped

1 cup Swiss cheese, grated

Directions

1. Cut puff pastry sheets into 5-inch (13cm) squares. Set aside in refrigerator. Pre-heat oven to 400°F (200°C).
2. For bechamel sauce: Melt butter over medium heat in saucepan. Add flour and salt; cook, stirring frequently, until mixture becomes pale golden with slightly nutty aroma.
3. Pour warm milk in 2 steps, stirring constantly with wooden spoon and whisk until smooth. Cook mixture, stirring constantly along bottom of saucepan, until boiling, about 7 mins.
4. Reduce heat to low. Simmer gently until sauce thickens, about 10 mins. If still lumpy, use immersion blender.
5. Stir in spinach and cook for 1 min. Add ham and cheese and stir well. Set aside.
6. Arrange puff pastry squares on baking sheet lined with parchment paper. Dollop 1 or 2 tablespoons of bechamel mixture, top with grated cheese and close pockets by folding corners on top.
7. Make an egg wash using an egg and 1 coffee spoon of cold water. Brush puff pastry and bake in oven for 20 mins, until puffed and golden. Serve immediately with crisp salad.
